

West Side School

Friday Notes

Friday, June 14, 2013

Principal's Corner

While our school year is winding down, West Side is still bustling with activity. This week, our second graders visited a science museum set up in the Community Room and learned all about plants. They also took a field trip to the Atlantis Aquarium, where they had the opportunity to watch a sea lion show. On Tuesday, fourth graders Jessica McCrorie and Sophia Ketterer participated in the Painting Project. Their work helped to transform the Community Room into a more lively space for our students to work. On Wednesday, fifth grade candidates gave their student council speeches to the student body. Thank you for your taking on a leadership role in our school. On Thursday, our sixth graders spent time with their Lloyd Harbor peers at Camp Coleman, where they participated in a number of activities including soccer, rock climbing, gaga, basketball, and much more! Today, our fourth graders ventured off to Philadelphia on a trip that enhances their social studies research. Also this week, in connection with the H.E.R.O. Project, another commercial aired starring Ben Reichbach, Erin Tannenbaum, and Anna Ruocco. The focus of their hard work was kindness. Thank you for taking the time to put this together. In honor of Flag Day, Elijah Farkash, Michael Davis, and Alex Grey played Taps during morning assembly. We also welcomed our incoming second graders from Goosehill. They had the opportunity to meet our current second graders and took a tour of the building led by some of our fifth graders.

CSH Educational Foundation

The CSH Educational Foundation (CSHEF) is proud to celebrate our first year's successes. Please see attached newsletter and visit our website (cshedfoundation.com) to view new information and exciting videos created by our students. Keep an eye out for a survey next week where we will be asking for your input.
