Principal's Corner

It is hard to believe another school year has come and gone. Our students received their yearbooks this week. Congratulations to Mrs. Blumin and Mrs. Milana for a job well done. The book is beautiful! This week some of our musicians, led by Hank Tsekerides and Michael Davis, performed in a H.E.R.O. concert for our second graders in the Community Room. Third graders had their Rain Forest Café celebration. Thank you to all of the parents who joined in the festivities. Our awards assembly also took place this week. Thank you to sixth grader, Sterling Rosado, who was our MC. During the assembly, it was announced that our jazz band placed first at the Long Island Festival, a music competition for students in grades five through nine. What an amazing accomplishment! Also, congratulations to our students who received the Sandy Limmer Award: Jack Vavassis, Anthony Naccarato, Maddy Richmond, and Kelly Gallagher. On Thursday, we officially said goodbye to our sixth graders during the Moving Up ceremony at the PAC. Thank you to Mrs. Marasciullo and other committee members for your help. I am so proud of this group of graduates. You are a special group of individuals who are destined for great things in life. I wish you all the best and hope you will come back to visit.

I would like to thank all of you for a wonderful year. Your enthusiasm and dedication helps to make a strong learning community for our students. Have a safe and happy summer!

Fall Musical

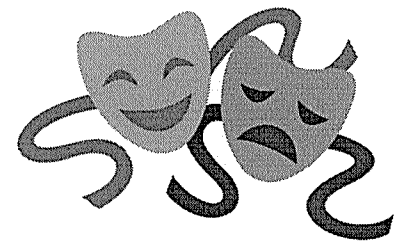

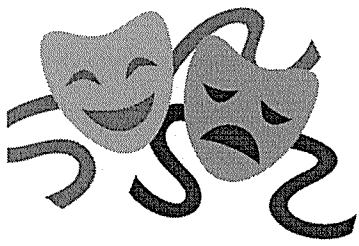

Please see the attached flyer about next year's school musical which will take place in December at the PAC. The West Side Theatre Arts Association is proud to announce next year's show – *The Wizard of Oz*! The fall will be here before you know it. This promises to be another wonderful experience for our learners!
