

# The Friday Notes

Celebrating 225 years!  
May 8, 2015

## Principal's Corner

Thank you to Mrs. Bauer and the West Side Run Committee for another successful West Side Run. We lucked out once again with a beautiful day. Congratulations to all of our runners! I would also like to thank Mrs. Boutis, Mrs. Franklin, and our PTG volunteers for the Staff Appreciation luncheon that was held on Tuesday. Faculty members enjoyed wonderful food and company as we reflected on another great year! Everyone was so touched by the cards our students made during recess this week. Thank you to Mrs. Lynch, Mrs. Boutis, and Mrs. Shammah for working with our kids. On Thursday, Cliff Mendelson returned to West Side to work with our 5<sup>th</sup> and 6<sup>th</sup> graders. He demonstrated vessels on the wheel and 6<sup>th</sup> graders had an opportunity to sgraffito multicultural patterns and designs throughout the vessel. Our 5<sup>th</sup> graders created their own clay masks using sculpting techniques similar to the African culture. Finally, our 2<sup>nd</sup> graders ended the week with a field trip to the Engeman Theater to watch "The Musical Adventures of Flat Stanley."

Good luck to all of our performers at tonight's Talent Show. Looking forward to seeing everyone at the PAC!

## Pick-Up Notes

Please remember that all pick-up notes should be given to your child's teacher. Pick-up notes should not be e-mailed to the main office as we cannot guarantee that your child's teacher will receive the update.

## Follow West Side on Facebook and Twitter

In an effort to increase communication between the home and school and to keep everyone updated about West Side's 225<sup>th</sup> anniversary, we have joined Facebook and Twitter. Like us on Twitter @WestSideSchool and on Facebook @WestSideSchool1597. Look for our 225<sup>th</sup> anniversary logo!

## Talent Show

**THE WEST SIDE "TONY AWARD" TALENT SHOW IS HERE. TONIGHT...7PM at the PAC... IT'S SHOWTIME!**

All performers will receive a t-shirt right after their act. It will be labeled with your child's name to be worn for the finale tonight.

Performers for Act 1 need to get there no later than 6:15 and performers for Act 2 need to get there no later than 6:30. Please have your child sign in with Mrs. Albers. There will be a roped off area in the front of the auditorium for "performer seating only." A school aide will assist in seating the performers.

Whether you're in the show or just there to support your classmates, it's going to be a most memorable night. The show is free and so is the ice cream social immediately following the show in the high school cafeteria. We have a wonderful line up and I thank all of you who volunteered to help out. West Side's Oscar Night 2015 will rock the world!

## 225th Anniversary Party

Invitations for the 225th Anniversary party on June 5th were sent home via backpack. Join us for a wonderful night to celebrate this milestone for our school. It promises to be a great night. Please send back your response cards as soon as possible. This is a limited capacity event...only 225 people! Don't wait to respond! We will sell out!

## Thank You Breakfast

Join us on Tuesday, May 12th at 9:30am for our end of year Thank You Breakfast, followed by our final PTG Meeting of the year where we will hear a presentation for the 2015-16 Budget by Dr. Wilansky and Dr. Bernhard. Invitation was sent out via punchbowl. We look forward to seeing you!

## FOCUS

We are looking for one parent to volunteer to serve as the WSS representative for FOCUS for the 2015-16 school year. If you are interested or have any questions, please contact Nicole Pultz at [pultz3@optonline.net](mailto:pultz3@optonline.net).

### Committee Chairs Needed

We are looking for parents to volunteer to chair (or co-chair) the following committees for the 2015-16 school year. If you are looking to get involved, we have some great opportunities. We are in need of a Chair for the following committees: Ice Skating Night, Recess, Sixth Grade Moving Up Day, West Side Kids Care, West Side Win (need someone to chair the planning committee/NOT host the event!), Sports/Game Night, Field Day. Please contact Michelle Schneider at [mschneider@opendigital.net](mailto:mschneider@opendigital.net) if you are interested or have any questions.

### West Side Run 2015

Congratulations to all who participated in this year's West Side Run! We had 311 runners come out to share in this fantastic day!! A huge Thank You to our committee members, Ted Hilton, Scott Bowden, Carol Solinger, Jack Sergi and Mrs. Fastuca who are an amazing team!! Thank you to our wonderful custodial staff who set-up and clean up in record time. Thank you to Mr. Trotter for always going above and beyond. Thank you to all the teachers both past and present who helped with registration, timing, medals and clean up. And a VERY SPECIAL thanks to Cat Bauer for chairing this committee! Your hard work and dedication was instrumental in putting this event together for our school. We also had a record number of student volunteers thanks to the girls High School Track Team. Many thanks to **all** the volunteers who helped out. A special note of thanks to our Family and Business Sponsors whose generous support help make West Side School so great!

## Summer Science Programs

**RE**  
**ROBOT ENGINEERS**  
 Discover the science of robots! Learn how different robots work and use their components to explore what is around them. Use your engineering skills to build a working robot to take home! (Children entering grades 3-6)

**JR**  
**JUNIOR ROBOTICS**  
 This introduction to robotics explores basic circuitry, mechanical science, and robot building. Each camper works daily on a robot to bring home at the end of the week! (Children entering grades K-3)

**FS**  
**FORENSIC SCIENCE**  
 Focus on the science of forensics in this hands-on look at crime scenes! Collect evidence, recreate a crime scene, and identify suspects as you learn the science of sleuthing. (Children entering grades 2-6)

**FA**  
**FLIGHT ACADEMY**  
 Explore the aerodynamics of birds, kites and rockets! All week long you will build flying machines as you explore Newton's laws of motion. (Children entering grade K-4)

**DA**  
**DETECTIVE ACADEMY**  
 Step into the shoes of a detective as you explore the tools detectives use to uncover crimes! Learn about spy equipment and discover the technological tools of detection. (Children entering grades 2-6)

**NASA**  
**NASA - SPACE EXPLORERS**  
 Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch in this hands-on space exploration camp. (Children entering grades 2-6)

**SIM**  
**SCIENCE IN MOTION**  
 Learn the science of engineering as we discover what machines and nature have in common. Build structures and discover how animals move and use simple machines as you run a crazy obstacle course. (Entering grades K-4)

**AR**  
**ADVANCED ROBOTICS**  
 Learn about how different robots operate. Put your robotic knowledge to the test! Use your skills to build your very own Robotic Arm to take home! (Children entering grades 3-6)

**R&R**  
**ROBOTS & REACTIONS**  
 Work with robots and create chemical reactions as we uncover the nuts and bolts of the universe. Each camper builds a working robot to take home! (Children entering grades 2-5)

**CCW**  
**CRAZY CHEMWORKS**  
 Get your goggles ready to handle real lab equipment and experiment with chemical changes. Explore the microscopic world of molecules as we discover states of matter! (Children entering grades 2-6)

**EUR**  
**EUREKA!**  
 Using a little help from some famous inventors, along with their own ingenuity, children will overcome a series of challenges using some basic materials. They will use their minds to come up with inventive ways to use simple machines, create forts, working light sticks, and even catapults! (Children entering grades 1-6)
