1. We implemented a very successful school-wide **Healthy Choices event** for students on January 16, 2015
  - Nine workshops (12 minutes each)
  - Parent and Community volunteers ran workshops on: Nutrition, Tae Kwon Do, Exercise, Bone Health (radiologist), sun safety (dermatologist), role of EMTs (ambulance)
2. We drafted **morning announcements** related to social studies and science concepts and themes and containing Common Core Tier 3 vocabulary terms. The first graders rehearsed and presented their topics over the school PA system every morning throughout the spring.
3. We started collecting topics and suggestions for an electronic parent handbook to be continued next year.
