

# The Friday Notes

Our 226<sup>th</sup> Season  
April 1, 2016

## Principal's Corner

This weekend, orchestral, choral and band students are participating in the NYSSMA Festival at Oyster Bay High School. Children perform an instrumental or vocal solo for an adjudicator and receive constructive feedback on their performance. Mrs. Daniels-Rosenblatt, Mrs. Kleiner and Mrs. Martin are proud of all the students who have put in extra practice time and effort during lunch, recess and afterschool. Congratulations to NYSSMA piano students who attended the festival at Jericho High School earlier in March.

## Flip Flops

As the weather gets warmer, please remind your child that flip flops are not permitted in school for safety reasons.

## NYS Testing Dates

As mentioned at this week's PTG meeting, the New York State ELA assessment will be administered on April 5 – 7 with make-ups following the three days after. The New York State Math Assessment will take place the following week on April 13 – 15. Again, make-up days will follow for students who are absent. Parents can help to prepare their children for success by:

-  ensuring children get a good night's sleep before each day of testing
-  providing children with a balanced breakfast on the morning of the exam
-  encouraging children to try their hardest
-  **making sure children arrive to school on time – assessments will begin promptly at 9:00 AM**

## WSS Sports/Game Night

## Talent Show Rules

### To be Eligible:

- The show is open to all Westside students in grades 2-6.
- A \$35 Fee **MUST** be submitted with your application. This fee includes the cost of the 2016 West Side Talent Show T-shirt and CD. **NO APPLICATIONS WILL BE ACCEPTED WITHOUT PAYMENT AND A T-SHIRT SIZE.**
- Applications are due by 4/8/16. Late submissions will not be accepted. All students must return a completed and signed Talent Show Participation Form with check and T-shirt size.
- Soloists and groups of any size are eligible.
- This year, students will have the opportunity to perform in **one solo act and one group act**, with the exception of sixth graders, who will have the opportunity, in addition, to perform a big group number at the end of the show if they choose. A sixth grade parent is encouraged to volunteer as coordinator for this act. Please contact Randi Weiss at Randi\_Weiss@hotmail.com if you are interested.
- All music, whether it's for a dance, song or background music, is due by 4/8/16. The CD should be labeled with the student's name(s), song name, and artist/composer. I have no problem working with you in cutting the music down as long as you give me the time counter for the music (ex. :20-2:20 seconds) and it's **before** the deadline.
- If a CD or email with the edited music is NOT submitted by the music deadline 4/8/16, (1) edited copy of the music, using the first 2 minutes of the song will be cut down for you. An email with the music will be sent to the group. Absolutely no changes will be accepted after that date so please be considerate and get your music in.

### Planning your act:

- Lyrics, costumes and performances should be compliant with school policy and appropriate for all audiences. Clean versions of songs only.
- All acts will be limited to 2 minutes.
- Submit your application and music early as we are limiting the same song to be performed only twice during the show. Any soloist or group who submits their application with a same song already approved to two other groups **will have to choose a new song for their act.**
- Most of all – be creative and show off your true talent! Unique acts are always appreciated!!

## Rehearsals:

- The show will be broken up into two Acts with an intermission in between.
- **You must attend two rehearsals plus the dress rehearsal.** Because of the April break, all performers are required to be at the first rehearsal on Wednesday April 20 from 3:15-5. (Once your act is done, you may go home) Your act does not need to be polished at this 1st rehearsal, this is more for placement in the show. For the 2<sup>nd</sup> rehearsal, all acts MUST be complete and ready to be performed. You will be assigned the 2<sup>nd</sup> rehearsal based on which act you are in, either Wed. May 4 for Act 1 or Thurs. May 5 for Act 2 at Westside School from 3:15-5:00 (Once your act is done, you may go home). There will be a dress/tech rehearsal on Friday May 13 at the Cold Spring Harbor High School Performance Arts Center (PAC) right after school for all performers. All performers must stay for the entire time as we will be rehearsing the finale as well. You must be at your scheduled rehearsal to perform in the show. This is mandatory. ***If you are unable to commit to these rehearsals, please do not sign up to be in the talent show.***
- **Parents must send a note to the child's teacher when their child is scheduled to stay after school for rehearsal.** If your child does not have a note, the teacher will have to send your child home in the usual way.
- All students must sign in with a Talent Show committee member upon arrival, and sign out when leaving the rehearsal.

## Courtesy and Conduct:

- Those students who would like to volunteer for backstage crew or other jobs for the night of the show should contact Randi Weiss @ Randi\_Weiss@hotmail.com
- Please take your time in deciding your act. This is a full commitment for you and your fellow group members. We would like to avoid any unnecessary tears so please make this a binding agreement with those you sign up with.
- Once a group has been formed and paperwork submitted, there will be **absolutely no switching from group to group** with only one exception as followed. If a person does drop out for any reason, the person left in the group may continue to perform solo or may find another student who has not signed up for any act to take their place. If that person cannot find another person to join them, at that point they may join an existing group if the group has approved it.
- If a student drops out of an act. That student will **not** be permitted to participate in any other acts for the 2016 talent show.
- Students can submit their applications via backpack, labeled "West Side Talent Show"

*To all the wonderfully talented students at West Side, this is your chance to shine in front of your friends and family. As much work goes into producing this magical event, the content and entertainment value is all up to you! Be prepared, professional and dedicated to making this the best Talent Show yet! - Randi*

Please be advised that a special meeting of the Board of Education will take place on April 1, 2016, at 7:00 p.m. at the Francis Roberts Community Center. William Bernhard, District Clerk

March 16, 2016

Dear Parents:

In the coming weeks, we will begin forming classes for the 2016-17 school year. Our goal is to create well-balanced, heterogeneous classes where all children can thrive socially and academically. Classroom and special area teachers, support service providers, and the principal are all involved in the process. We work carefully to group students so that each class is balanced in terms of gender, social development, work habits, and academic performance.

Parental input is appropriate if your child has specific needs that are not already known to us. If this is the case, you may submit a letter to the principal's attention by **April 15<sup>th</sup>**. Because the grouping process will begin at that time, letters received after April 15<sup>th</sup> cannot be considered.

We will give the same level of care and attention to the placement of every child, whether a letter is written or not. However, if you choose to submit a letter, please note:

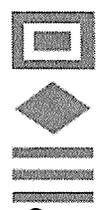

- Letters should be addressed to the principal and sent to the Main Office. (not via email) **Requests should not be made to a teacher.**
- If you are writing with regard to more than one child, **separate letters** must be submitted.
- Requests for placement **with** a specific child cannot be accepted. Our goal is to help students build friendships with many different children over the course of their educational experience.
- Requests for **separation from** one specific child may be considered. We cannot accept a request to separate your child from **more than one child**.
- **Requests for a specific teacher will not be considered.** In fairness to all, letters of this nature will be returned.
- If you would like to request that your child **not** be assigned a particular teacher, it must be due to the prior experience of a sibling. Please include the name and year the sibling was in the class. **This is the only request with regard to a specific teacher that will be accepted.**
- For students entering second grade, the placement process is completed by the Goosehill team.
- Letters from past years are not saved, and therefore cannot be considered.

Because of the complex nature of the process, once class assignments are made in August, placements are final.

We appreciate your confidence in the professional staff as we begin this important process. Thank you for your continued support of our efforts to create an educational environment where every child will be happy and successful.

Sincerely,

# 2016 SUMMER SCIENCE CAMPS!

Sign up at: <http://summercamps.dnalc.org>

Cold Spring Harbor Laboratory's DNA Learning Center (DNALC) is the world's first science center devoted entirely to genetics education. The DNALC "invented" DNA camps over 30 years ago, and over 18,300 students have participated. Guided by experienced instructors, students entering 6<sup>th</sup>–12<sup>th</sup> grades use sophisticated laboratory and computer equipment to perform experiments several grade levels ahead of their peers.

**Fun with DNA** (entering grades 6, 7) Build an understanding of cell biology, microbiology, biotechnology, and genetics through hands-on experiments.

**World of Enzymes** (entering grade 8, or Fun with DNA alumni entering grade 7) Explore the use of enzymes in molecular biology and the food and health industries.

**Green Genes** (entering grade 9, or World of Enzymes alumni entering grade 8) Perform the same recombinant DNA techniques used to manufacture human proteins such as insulin.

**Forensic Detectives** (entering grade 9) Experience forensics through a series of labs and activities in a more realistic fashion than portrayed on TV—it's not just DNA!

**Backyard Barcoding** (Green Genes alumni entering grade 9) Explore how DNA barcodes can be used to identify a species and how to use this information for forensic identification and taxonomy.

**DNA Science** (entering grades 10–12) Perform lab experiments in molecular biology, culminating in the construction and cloning of recombinant DNA.

**Silencing Genomes** (DNA Science alumni entering grades 11, 12) Experience the power of RNA interference (RNAi), a Nobel-prize winning discovery that has revolutionized how genes are studied.

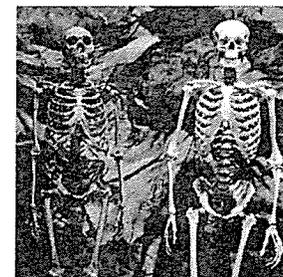

**BioCoding** (DNA Science alumni entering grades 11, 12) Get started in bioinformatics and computer programming (coding). No programming experience required!

**Genome Science** (DNA Science alumni entering grades 11, 12) Use biochemical and computer methods to analyze the genetics of living things.

**DNA Barcoding Research** (DNA Science alumni entering grades 11, 12) Use DNA barcoding to survey the biodiversity of an ecosystem and present your findings at the end of this two-week independent research program.

**NEW!**  
**Being Human** (entering grades 11, 12) Connect the prehistoric world with modern human biology through anthropological labs that will get you up close and personal with your ancient ancestors.
