

The Friday Notes

Celebrating 227 Years!
May 19, 2017

Principal's Corner

Last Friday our week came to a close with our annual Talent Show at the PAC. It was so impressive to witness the many different talents of our students in all grades. Special thanks to Mrs. Albers and her parent volunteers who organized such a memorable event and to our sixth grade hosts: Alexandra Pultz, Sam Adler, and Jack Jusko. This week, our second graders performed with their Lloyd Harbor peers in our production, "Symbols of America." Our youngest learners spoke about the many symbols of our country's freedom and sang patriotic classics which ended with a standing ovation! Thank you to all of our family members who attended. Our third graders followed this act up with one of their own. Our community who watched them in the gym saw a performance that highlighted the many countries of the world. The performance was followed by individual presentations in their classrooms. This tradition was created by Dr. Dawkins and Mr. Farmer and will be one of many ways we will remember their contributions to our school. Congratulations to Ms. Dudek's fourth grade class who won our first ever Kahoot Trivia Challenge about the West Side Run which took place this morning. All of our fourth graders also continued to prepare for their spring concert which will take place in June. Fifth graders took a field trip to the Museum of Natural History in connection with their Aztec, Inca, and Mayan social studies unit. Thank you to our many parent chaperones who attended this trip. Finally, our sixth graders participated in their annual square dance competition at the Wier Barn. Congratulations to the purple team on their victory. Job well done! Our sixth graders also took a trip to the North Shore Land Alliance where they learned about the impact of invasive species on Long Island. Looking forward to seeing everyone at the West Side Run this Sunday!

Field Day and Art Show Exhibit – All Grades

Our Celebration of Teaching and Learning for Grades 5 and 6 will also take place on Friday, June 2nd. This event was previously scheduled for June 1st, however it has been moved to June 2nd to accommodate our parents who will be in attendance for Field Day.

Spring Concert

Our spring concert for the fifth and sixth graders will be held on Tuesday, May 23rd. Please note that the daytime performance is for students only as there is an evening performance at the PAC at 7:00 PM for parents and other members of the community. Thank you in advance for your understanding. All 5th Grade and 6th Grade String/Orchestra students have rehearsals on Monday, May 22nd and Tuesday, May 23rd from 7:45 AM-8:40 AM in the orchestra room.

4th Grade Ellis Island Reenactment

A true West Side tradition, the 4th grade is planning an Ellis Island Reenactment to culminate their study of the American Immigrant Experience. On Friday, June 9th, West Side School will be transformed into a European Port of Departure, a Transatlantic Steamship, and the Ellis Island Processing Center. The students will follow in the footsteps of immigrants as they are examined and processed. Inspectors will determine if each immigrant will be detained, deported, or admitted into the United States. We need 4th grade parents, grandparents, and/or older siblings to volunteer to help make this experience a memorable one. Please send in your form to the main office ASAP or email Ana Shammah anashammah67@gmail.com if you have any questions.
