

The Friday Notes

Celebrating 227 Years!
October 28, 2016

Principal's Corner

This was a special week. On Tuesday our students experienced something for the very first time. Our new Superintendent, Mr. Fenter, spent the entire day at West Side. The day began as Mr. Fenter spoke to all of our students and faculty members in the gym during morning assembly. He was introduced by Student Council President, CJ Reilly. Ms. Ryan's second graders worked with reading buddies while Ms. Santoro's class found ways to break numbers down in order to assist with addition. Needless to say, Mr. Fenter was impressed by our youngest students. In third grade, Dr. Dawkins' students interviewed Mr. Fenter, and Mr. Farmer's learners showed him the value of their morning routine which sets the tone for each day. In fourth grade, some of our students had the opportunity to show Mr. Fenter how to make slime in the science lab with Ms. Baratta. Ms. Manning's students participated in an interactive multiplication game on Kahoot. Everyone used iPads to participate, even Mr. Fenter. Ms. Dudek's students engaged in an open circle lesson tailored around active listening, and Ms. Dopico's learners brainstormed different types of non-fiction text as part of our continued work with Teachers College. Mr. Fenter also got to observe a small group of saxophonists who rehearsed in the band room with Ms. Kleiner. Our fifth grades were seen in the library as they participated in a makerspace lesson led by Ms. Fraiberg and Ms. Diehl. Finally, sixth graders in Ms. Gerver's class welcomed Mr. Fenter to a friendly game of fraction basketball. Thank you to all of our sixth grade ambassadors who met Mr. Fenter at each room and to James Tucker and Bryce Kipnes who, once prepped by Ms. Agnello, gave Mr. Fenter a tour of West Side's history. He had been eagerly awaiting this unique opportunity. Looking forward to seeing everyone tonight!

Halloween Update

With Halloween around the corner, please remind your child of our school's expectations for Monday, October 31st. All students should come to school as they would on any other day without wearing a costume. Our younger students (grades 2 and 3) are allowed to bring a costume to school, but they are not allowed to wear masks, put on make-up, or bring extras like swords, baseball bats, etc. Students should not bring candy to school to distribute to their peers. As always, no candy, soda or artificial sweetener will be included during any crafts or classroom activities. In order for all of our students to feel safe, especially our youngest students, children should not dress up as clowns on Friday for the Halloween Dance or on Monday, October 31st during the school day. In light of the recent attention to clowns on social media and the news, this is an important precaution we must take this year. The PTG-sponsored Halloween Dance is scheduled for tonight from 5:30-7:00 PM. No drop-offs please.

Student Council News

Student Council will be collecting gently used Halloween costumes for the Helping Hands Rescue Mission. There is a box located in the airplane wing that will be used to collect the costumes. Keep your eyes out for the November pie sale coming soon!

A Growth Mindset Speaker Series
Sponsored by the West Side School Improvement Team

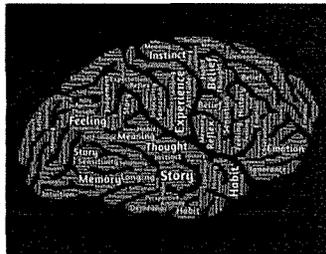

“No matter what your ability is, effort is what ignites that ability and turns it into accomplishment.” - Growth mindset quote by Carole Dweck, Ph.D.

We are looking for parents and teachers to:

- ❖ Share ways they have overcome obstacles and persevered in life (work, education, friendships, health, fitness, etc.)
- ❖ Speak to our students about the importance of a strong work ethic
- ❖ Show our children that the adults in their lives have grit, too - this is a lifetime and ageless goal!
- ❖ Support the research on the value of a growth mindset and having grit with personal connections

What you need to know:

- ❖ More information will be forthcoming with ideas, suggestions, and contact info
- ❖ Presentations can be a length and format of your choosing
- ❖ Parents will be aligned with their children’s homeroom and/or grade level

Got grit?
