Goal: Create a rubric for students to create a video for the H.E.R.O. Project as their culminating activity

A video from the Huggable Heroes project was shown and discussed. This will be presented on a number of occasions such as Back-to-School Night, to our incoming 6th graders, and other occasions.

 **Must present as a group:**

- Group members from each session (Fall, Winter, and Spring) will work together

 **Should be prepared in advance:**

- Make a script

 **All students in the group must have a speaking role**

 **Captions and names of students should be included**

 **Music in the background will be added**

 **Picture montage at end**

 **Add a creative component**

 **How will people remember you?**

- Think about your legacy.

 **Why did you choose this role?**

- I noticed a need for...

 **What did you learn?**

- Being a part of the H.E.R.O. Project taught me...

 **What is your advice for next year's crew?**

 **How do you see this experience impacting your life at the junior high school and beyond?**
