BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, June 10th** at 8pm at the DO.

ARTIST CORNER

Art show for 5th & 6th grade students during Field Day. Work will be outside in the Peace Garden by the Library and in the Art Gallery. Come, take a look! Congratulations to our Artist of the month: Ryan Downes - great job on the Van Gogh inspired Sunflowers. Look for art work to come home in the upcoming weeks.

4th GRADE ORCHESTRA

4th grade string students will have an early morning rehearsal on June 11th at 7:45AM.

4TH GRADE BAND

In order to prepare the 4th grade band students for their concert on June 11th, there will be a required morning rehearsal starting at 8AM in the Band Room on June 11th. Students should bring their instruments and the Essential Elements 200 Book.

PROPER CLOTHING

As the weather gets warmer, it is important for students to continue to dress suitably for school. Please take a moment to review our guidelines on appropriate clothing (as stated in the Student Agenda Book): Students may not wear short-shorts or flip flops (rubber beach shoes). Sneakers are the preferred choice of footwear. We appreciate the continued support.

DRIVING CAUTION

When driving on the school grounds, be mindful of our traffic patterns and be sure to proceed with caution.

ABSENCES

Your child's absence is being recorded as an unknown and unexcused absence if you do not make a phone call to the nurse's office. Although an absence note is still required, it is not sufficient. The phone call must be made.

AFTERNOON PICK-UP

For safety reasons, we ask that all children being picked up in the back circle wait in line until picked up. Children are not allowed to cross over the parking lot.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

FROM THE LHS/PTG

*****IMPORTANT REMINDER*****

Reply cards for the **Sixth Grade Graduation Luncheon** at the *Crest Hollow Country Club* are past due. Please return them to Wendi DeSchutter as soon as possible if you plan on attending. Questions, contact Amy Howell at howell1@optonline.net or Wendi DeSchutter at wendi.d@mac.com

School Supplies

The LHS*PTG have teamed up with Value Drugs again this year so you can get your school supplies online. An eblast has already gone out and it will be going out every week. In just a few clicks, you can have all your Back to School supplies ordered so they will be on your child's desk on the first day of school in September. Watch out for the weekly eblast and click away! Don't forget to put the LHS*PTG dues in your basket before you check out - only one lot of dues per family is necessary. Thank you for supporting the LHS*PTG. Questions; contact Victoria Leventhal at vplev2@gmail.com.

The Physical Education Department and
Lloyd Harbor School Proudly Present

Field Day 2014

Monday, June 9th

Attention Parents and Students:

You are cordially invited to join us for our **Field Day 2014 Celebration**. The students will enjoy a fun-filled day with various relays and field events coordinated by the Lloyd Harbor Physical Education Department.

The opening ceremony will begin at 9:00am. The day's events will run from 9:50am until 11:15am for 2nd, 3rd, and 4th grade students and from 12:50pm until 2:15pm for 5th and 6th grade students. Each student has been informed of his or her team color. Please have your child dress in his or her Field Day shirt (or similar color), sneakers, and comfortable clothes. We will have water stations on the field, but children are encouraged to bring a water bottle. It is also a good idea to send in sunscreen. The PTG will provide a snack. In the event we are rained out, field day will be Tuesday, June 10th.

Additionally, we are proud to announce that our 5th/6th **Grade Art Show** will be occurring simultaneously. A separate flyer is being sent home with Friday notes.

If you have any questions, please contact Mr. Conroy or Mr. Toscano at 631-367-8800.

Looking forward to seeing everyone at this exciting event!

Science Enhancement Opportunities

Summer Science Programs

NASA - SPACE EXPLORERS (NASA)

Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch in this hands-on space exploration camp. (Children entering grades 3-6)

FLIGHT ACADEMY (FA)

Explore the aerodynamics of birds, kites and rockets! Build flying machines as you explore Newton's laws of motion. (Children entering grades 1-4)

SCIENCE IN MOTION (SIM)

Learn the science of engineering as we discover what machines and nature have in common. Build structures, discover how animals move, and use simple machines as you run a crazy obstacle course. (Children entering grades 1-4)

EUREKA! (EUR)

Using a little help from some famous inventors, along with their own ingenuity, children will overcome a series of challenges using some basic materials. They will use their minds to come up with inventive ways to use simple machines, create forts, working light sticks, and even catapults! (Children entering grades 1-6)

CRAZY CHEMWORKS (CCW)

Get your goggles ready to handle real lab equipment and experiment with chemical changes. Explore the microscopic world of molecules as we discover states of matter! (Children entering grades 2-6)

DETECTIVE ACADEMY (DA)

Step into the shoes of a detective as you explore the tools detectives use to uncover crimes! Learn about spy equipment and discover the technological tools of detection. (Children entering grades 2-6)

FORENSIC SCIENCE (FS)

Focus on the science of forensics in this hands-on look at crime scenes! Collect evidence, recreate a crime scene, and identify suspects as you learn the science of sleuthing. (Children entering grades 2-6)

JUNIOR ROBOTICS (JR)

This introduction to robotics explores basic circuitry, mechanical science, and robot building. Each camper works daily on a robot to bring home at the end of the week! (Children entering grades K-3)

ROBOT ENGINEERS (RE)

Discover the science of robots! Learn how different robots work and use their components to explore what is around them. Use your engineering skills to build a working robot to take home! (Children entering grades 3-6)

ROBOTS & REACTIONS (R&R)

Work with robots and create chemical reactions as we uncover the nuts and bolts of the universe. Each camper builds a working robot to take home! (Children entering grades 2-5)

ADVANCED ROBOTICS (AR)

Learn about how different robots operate. Put your robotic knowledge to the test! Use your skills to build your very own Robotic Arm to take home! (Children entering grades 3-6)
