SHARED-DECISION MAKING  
SCHOOL IMPROVEMENT TEAM • SELF NOMINATION FORM

We are in the process of putting together our School Improvement Teams (SIT) for the 2016-2017 school year. The purpose of SIT is to improve the educational performance of all students in the schools through the collaborative participation of team members in the decision-making process.

Each school's team consists of teachers, administrators and parents. One of our parent representatives from each school must be a parent of a special education student. Each team is required to meet at least once a month from September to June, and to the extent possible, the meetings will be scheduled at the end of a regular school day. One parent per household, per school enrolled is eligible for nomination. **If you are currently sitting as a member of SIT, it is necessary to resubmit your name.** The term of office is for one year, not to exceed a three-year term.

If you will be able to commit to these meetings, and have the desire to participate in this very important and innovative process, please complete the form below.
