Green Tip of the Week

Remember to bring your reusable shopping bags every time you go out to run errands. You remember your keys and your phone and to grab the kids sports equipment... grab those bags! Every year, New Yorkers discard over nine BILLION single use plastics bags totaling 100,000 TONS of solid waste! You see them everywhere they shouldn't be, in the trees, the streets, the parks and clogging our storm drains. They never decompose and just become part of giant plastic islands of sludge. These bags are made from petroleum and other non-renewable fossil fuels. Every year in the US, twelve MILLION barrels of oil are used to make single-use plastic bags. We can easily end all this waste by bringing our reusable shopping bags everywhere we go!

6th Grade Yearbook

To **order your child's 6th Grade Yearbook**, go to www.schoolannual.com At the top, you will see a gray tab "Buy Your Student's Yearbook". Follow the directions to place your order. Yearbooks cost \$40. Any questions, please contact Deneel Berlinghof, berlinghof1@gmail.com This link is also available on the PTG website, www.lhsptg.org Click the "6th Grd Yearbook" tab in the top left corner.

Box Tops

We are collecting Box Tops! Please bring in your box tops and deposit them in the plastic container outside the LHTV Newsroom (Room 107) to help us meet this year's goal.
